

William Dillard *Fancy Plants* set the standard for grafted and topiary products.

Each year tens of thousands of *Fancy Plants* are sold by garden centers, wholesalers, and others to their customers in the United States and abroad.

Fancy Plants drive store-wide sales. They brighten retail spaces and provide attractive features for in-store displays and advertising.

All plants come in a 3-gallon light weight containers—each tagged with a photograph and planting instructions, making it easy for customers to carry, plant, and maintain their purchase.

Our minimum order is 500 plants; discounts are offered with bulk orders. Call today for pricing.
